THE TREASURE OF THE KINGDOM OF GOD

Matthew 13:44

WHAT IS THE MESSAGE OF THE HIDDEN TREASURE PARABLE?

It is strange, but the main theme of this parable is not money; is faith. The Bible says that we have all found a treasure with Jesus, a real treasure! One of those that change our life bringing forgiveness, peace and love to our hearts.

Who has not dreamed of a treasure! A treasure of truth, of those that appear in the stories of pirates with chests that when opened show the happy discoverer a menu of jewels, gold, silver and precious stones whose value is so immense that nobody dares to imagine .

The parable that we are now studying tells us about a man who found a treasure.

We cannot imagine the joy it means for a person, who must support his family with a salary as a land worker, exposed to the cravings of the weather and the threat of having a bad harvest, to find a treasure. Their problems would be solved, buying shoes for the children, the rent of the house, they would never again live crammed in one room. Now they would have a house of their own. It is amazing what a treasure can contribute to the economy of a family. We must make it clear that no one can experience a finding of this nature and continue living in the same way.
